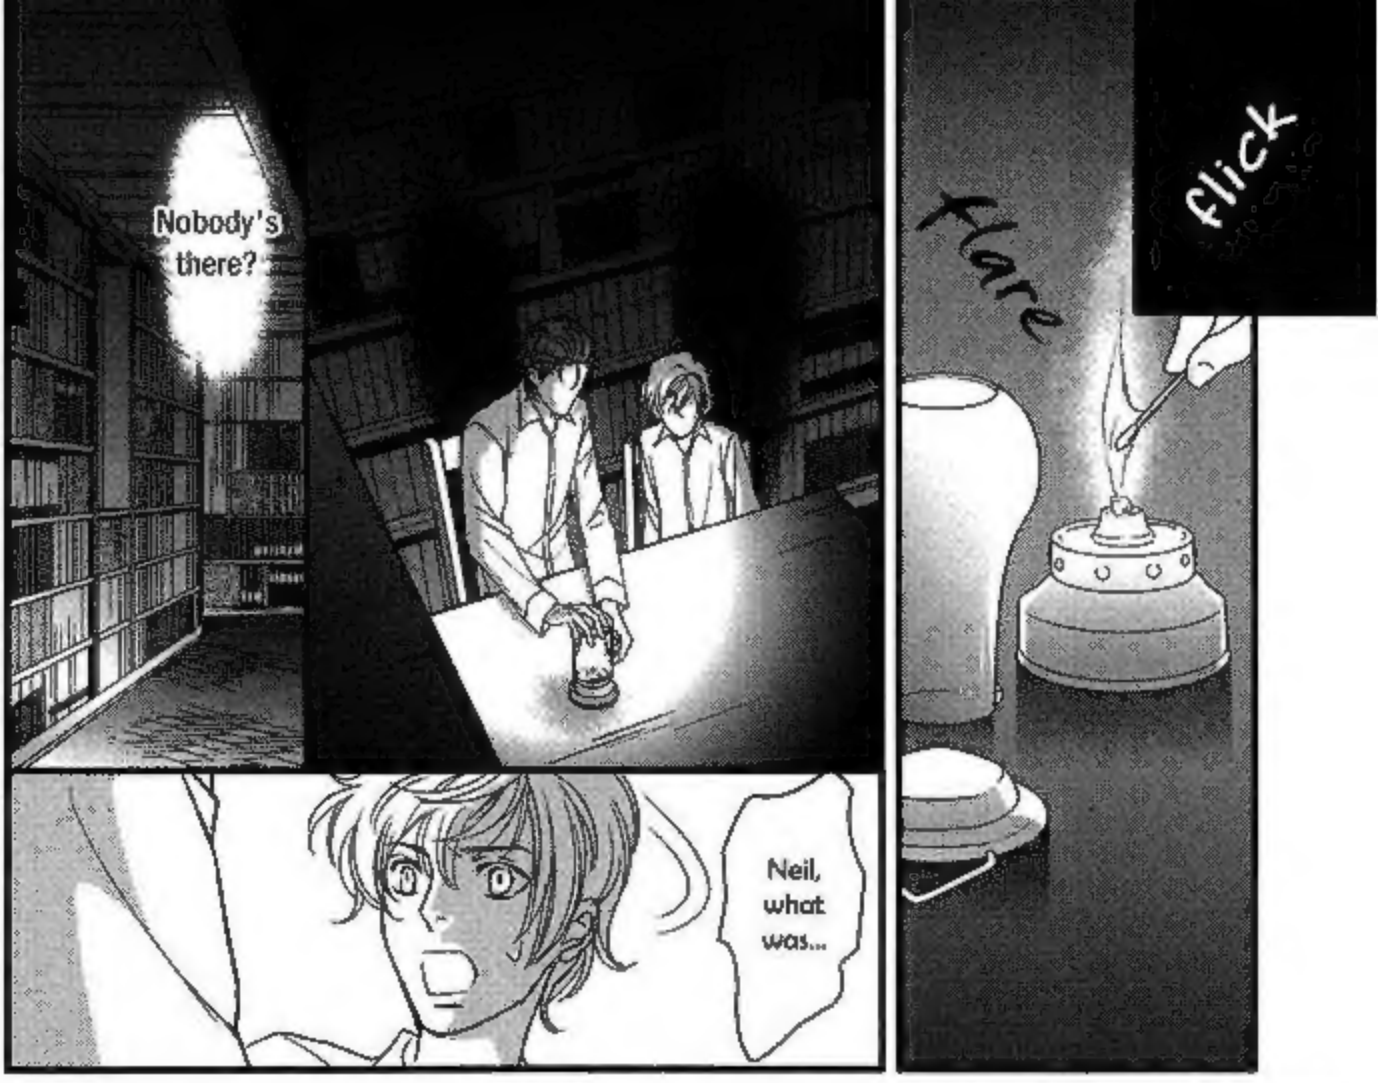
I don't get it... How would that be a game?
Beats me, I don't know the details either.
This is my first time, too, okay?
That's as far as I know.
So?
But... I have a bad feeling about this.
tap
Student council, when it's your turn to say your prophecy, just blurt out something impossible.
An impossible prophecy?

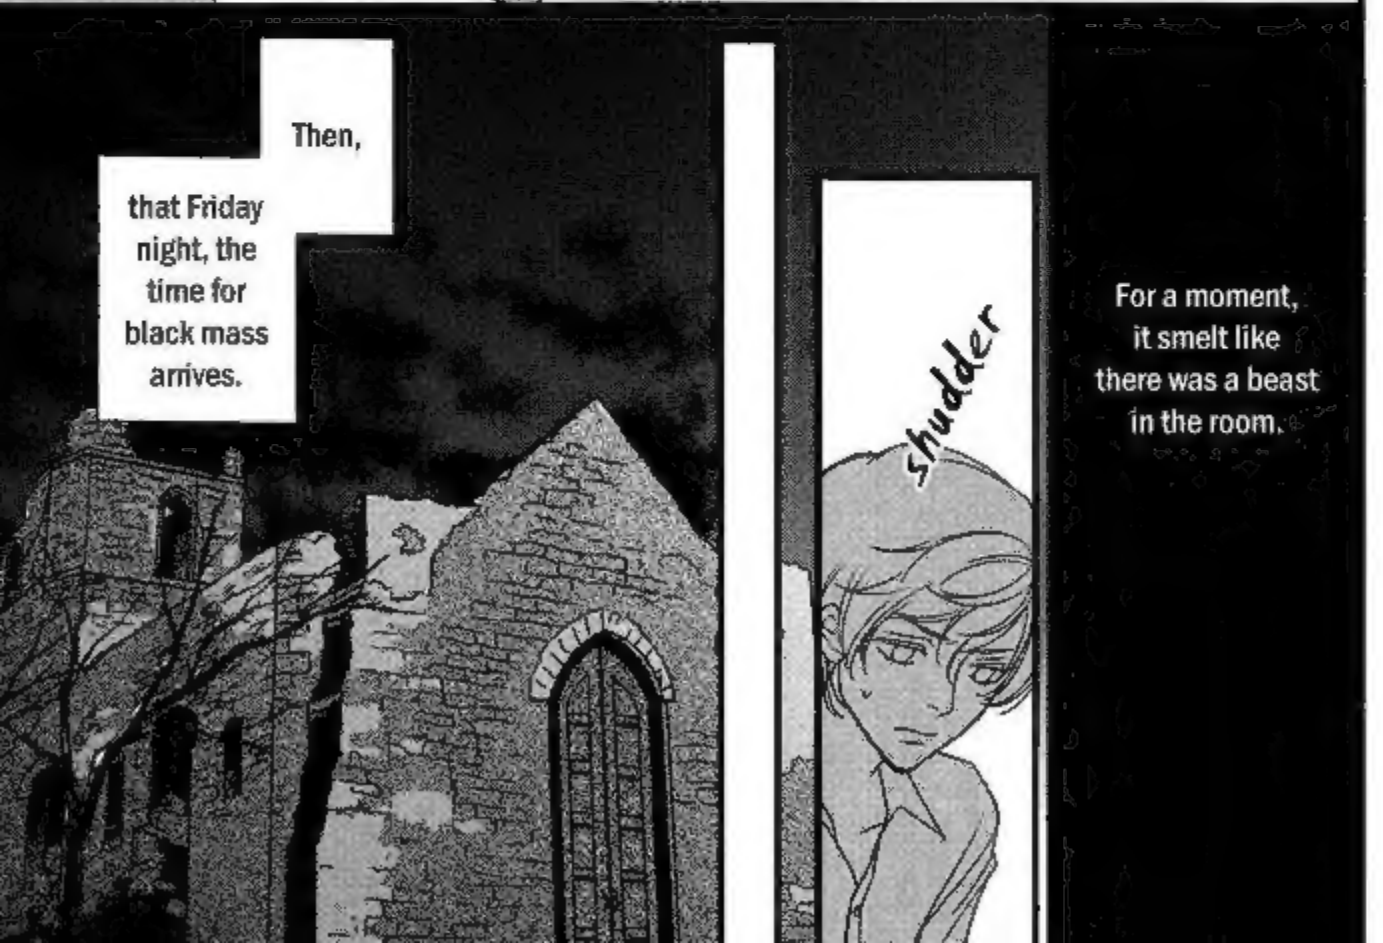
You mean we make it miss on purpose? Why?
Just say something that can never come true.
Like an alien attack or the ocean dries up in one night.
I have a bad feeling.
They say telling a prophecy is like calling a disaster.
That's not an answer...
whoosh
Haa...
It's not Neil.
Haa...
There's something over there.
Haa...
Haa...
Haa...
!



Nobody's there?
Neil, what was...
flick
flare

Come on, time to go back to your room.
A shorty's got to sleep properly or he won't grow another inch.
I'm not short. I'm the second tallest boy in my class.
pout
Anyone shorter than me is a shorty. Here!
toss
I wonder if he heard it, too.
It's okay.

"COME OVER ANYTIME YOU LIKE. I SPEND MOST OF MY NIGHTS DOING RESEARCH HERE."
"THIS IS THE LIBRARY'S KEY."
?
catch
I still wonder... what was that presence I felt...?



Then,
that Friday night, the time for black mass arrives.
shudder
For a moment, it smelt like there was a beast in the room.

Now everyone's here.
Welcome, Belial, you're the last one.
Hey Lucifer, what game are we going to play today?
Sorry for being late.
dosl
Yes, it's the first time for all the current members here to play this game.
Allow me to explain the rules.
Huh!?
Then it's no different from making wishes, isn't it?
Shut up, Eligor! Lucifer is still speaking!
Any unfortunate prophecy would delight the devil more... but you are allowed to say whatever you desire.
You can predict whatever you want, as long as it involves what would happen to yourselves.
The prophet must predict three things to happen in his own future.

Ye.
Aside from being a prophecy game, this will also be a contract.
With the power of the Devil, the prophecies will be fulfilled without fail.
Devil...?
And then when all the prophecies have been fulfilled, the Devil will descent.
And when that time come, we will meet the Devil himself.
.....
So you have seen successful endings of this game, Lucifer?
Of course I have, Furcas.
The prophecies will not miss. There's also no case where the Devil doesn't appear in the end.

You Idiot. It's easy!
But hey... how do we make it right? We're not real prophets. There's no way we can predict things.
Well then, if you wish to meet the Devil, make a prophecy that would likely come true.
Just predict a robbery and do a robbery yourself.
Predict someone would die and go kill that person yourself.
...!
Correct. Such a way is also possible, Astaroth.
But in this game the Devil will lend his power to fulfill all. It is also possible to wish for great wealth and authority.
Correct. From the moment you make the prophecy, the Devil will be serving by your side, waiting for the moment to show himself.
No matter how long it take...? Even if it take years for the prophecy to be fulfilled, will the Devil still appear?

It's suffocating.
The candlelights make the darkness seem thicker than usual.
Now, each one of you, take a candle.
!
What's wrong, Michael? You look unwell.
Oh, let me see... Allow me to tell you the story of Belzebub.
!!
He was a former member of the Land of Red Serpent.
That's right... He was here around the same time as your father's generation.
Belze-bub...?
The name of a demon with a great power but an ugly form.

It can't be... Is he talking about my father?
dizzy
He was an unfortunate young man.
He despised everything in this world.
Lucifer knows that Father was a member of the association?
Ah, I can still remember the day he made a prophecy here in this place.
A prophecy of a long future... far reaching through the decades.
Father was here?
Father...
dizzy
What... did he predict?
His own future of happiness.

Whoops!
It's all right now, Michael... You're not so dizzy anymore, right?
Such an adorable child... Just like that time when you entrusted your body to me and tasted the peak of pleasures...
!!
How did he...?!
shove
That was just a dream!
Fu fu...

This is the first time I've seen him so tense... He's being very careful.
"YOU MUST MAKE AN IMPOSSIBLE PROPHECY!"
Neil.
.....
Let it be by yourself or by the Devil, once the prophecies are fulfilled, we will meet the Devil, am I right?
Allow me to confirm the rules...
Lucifer
That's right, Belial.
And the other members... are you ready?
let us begin.
Well then, prophets of the present age.
To Be Continued

creak
Hey, Student Council... over here!
Aren't you cold wearing only those thin pajamas? Where's your nightgown?

There's no need for such concern, FATHER Neil Lowell.

Is it true that you're not a student but a priest?
glare
Ugh...
Oh Lord, my identity is now exposed!
Ah, this handsome face must have been my undoing.
That Father Ahab remembers my face after only one encounter!
I hate my own beauty.
What are you saying?
So it's true...?!
There was no other priest who could play magic tricks in your parish.
He said that's why he remembers you.

So, who are you?
a rule of the Lowell Family, right?
Yeah, yeah,
What...?
When more than three people gather in the same place you have to entertain them! That's...
I couldn't help it!
.....
How old are you?
I've already graduated ages ago and received my ordination.
Right now, I'm a priest of the Yorkshire parish.
26.

Twenty six?!
You're pretending to be a student at that age!?
I look young, right?
See?!
It has never been lost!
Can't you see I'm overflowing with composure and tolerance?
Where did you lose your adult composure?
Is it really, really true...
someone this old...
See?!
Ah... you're so not cute.
See what ...?

So, what is a priest like you doing at this school?
It was a request from a certain bishop...
He asked me to sneak into this school and investigate the satanic cult that has existed here for years.
Huh?
That bishop was a graduate of this school.
It has been his wish to find out and destroy that cult ever since he became a student council leader here.
For years, the student council leaders have been investigating the association...
Well... when such a satanic cult got exposed in his ruling it probably became a bad reputation for him.

I graduated from another school so they don't know my face.

And maybe because I am quick to adapt...

Why you?

But the school won't admit that such an association exists.

So an outsider is necessary to nail out the truth.

No one would ever guess an extravagant person like him is actually an investigator from the church.

True enough

Your benefactor?

Well, I'll tell you more about him another time.

I owe a favor to someone from the church in the past.

I accepted this request mostly for that person's sake.

There was a gentleness in his eyes when he talked about that person.

flare

He came to this school for a reason.

I felt like I got an older brother whose close in age...
but as it turned out, he's actually a much older adult...
What's wrong?
gasp
Why does it make me feel so sad ..?
Hm?
You're cold.
rub
Here, sit closer.
pull
Uwah!
There... it's much warmer like this, right?
drop

"Let's play a game."
I received a black mass card today.
By the way...
"Let us impersonate a prophet and predict our own future."
Yeah.
What is this prophecy game?
I've only participated in the mass a few times before you came. This game would also be a first time for me.
I haven't been a member that long...
Y... yeah.
His chest is so wide.
It feels good and warm next to Neil.

Written here it's a game where we predict our own future.
I wonder what they'd do in it.
As far as I know, they've done this game a few times in the past.

What was that blast?!
Ugh!
The candle was blown...
Huhu haha
...aha haha haha!
L Lucifer?
I don't remember ever becoming your other half
Oh yes, you are my other half. The one that holds the fate.
Hahaha! You really are the best, Michael! How I love you so, my other half!

I am looking forward to the day you expose my identity, Michael.
Lucifer...
Ah... one more thing. I also have a prophecy for each one of you.
Take a look under your candles.
Lucifer's prophecies?
You can read the card in the morning.
Look forward to it.
I have prepared them beforehand.
After all your prophecies are fulfilled, mine will come true.
Well then, the game is now concluded.

Why didn't you listen to me...?
Lucifer wait for me!
creak
No...
I've made him upset...
But I can't help it.
I'll just hurry back and go to bed
slam

Morning comes.
Now that I remember... I haven't opened the envelope.
I haven't seen what that Lucifer wrote for me.
I want to discuss what I said yesterday.
So much for the joint classes with the seniors.
Neil's not around.

"The day after the prophecies have been fulfilled,
the pure angel would kill the one he loves with his hands."

SCREECH

What is this?
I will kill the one I love?!
Cecil, didn't you hear rats running across the ceiling just now?
Michael, what's wrong?
?
What was that sound?
Really? I didn't notice... maybe the class is too noisy.
I see...
ding dong

What's wrong, Michael, it's so unlike you getting scolded so many times by the father.
You stared at the ceiling a lot.
I was bothered by the rats noises from the ceiling ...
Rats?
You didn't hear it? They made so much noise...
Did you hear anything?
I heard it, too.
What's this? You guys didn't hear it?
N... no.
That's strange. Jack and I are the only ones who heard it.

click
Neil.
.....
hmph
What is it?
I'm not talking to a brat who deftly ignored his senior's warning.
Huh?
You mean my prophecies yesterday? That...
Just shut up.

Hey, Neil... stop sulking. You're too old for that.
I'm not sulking!
Geez, I warned you it's dangerous! Why didn't you listen to me?!
Because... the former member Lucifer mentioned... I'm sure he meant my dad.
What kind of prophecy did Dad make and how did it end up like that?
I thought if I did the same thing I'd be able to understand.
Lucifer knows something.
I know it's dangerous but this is the only clue I have to find out the truth. So I...
Michael.

...!
But now I wonder if it was wrong to drag you down here. Honestly, I've regretted that decision.
"I'LL TELL YOU HOW TO JOIN THE ASSOCIATION."
When you told me you wanted to join the association, I knew "that" was the purpose behind it.
Neil! That's not true! This is a decision I've made for myself! I'll take the responsibility myself!
I see. You're such a good boy.

But I've made a decision as well.
No matter what happens, I will protect you.
.....!
Wh... what's that supposed to mean?
thump
Protect me? I don't need anyone protecting me! I can .
thump
Why is my heart beating so loud? Neil will think I'm weird!

It's as if he knew that Neil would make impossible prophecies even before the game started
"Unfortunately your prophecies are impossible to fulfill, therefore you are not worthy of receiving my prophecy."
Can Lucifer use magic?

Me killing the one I love?
This was a trick...
From the very start, he prepared two envelopes with different contents. After hearing the prophecies, he must had exchanged it somehow.
There's no such thing as demonic power.
No, that would never happen.
If so, then the prophecy he made for me
that I'd kill the one I love...

I wonder why I'm like this. I can't look at his face.
look away
V... yeah...
But after that day, strange things happen one after another...
Jack, congratulations! Good luck on the next game!
Right...
Huh?
Hey, you heard?
Jack Hopps was chosen as a Cricket Club's player!
How did he get chosen?
You guys must be thinking why someone like me would get chosen, right?!
Eligor Jack's first prophecy really came true.

So my first prophecy has come true as well.
And today I submitted the history class report...
A few days later there's an uproar when the seniors' test result is announced.
Leonid who was always at the top left the test mid-way because he was unwell.
Denis Weasler who was always ranked second for five years straight now stands at the top.
Looks like he's Furcas.
"THIS IS MY THIRD PROPHECY AT THE ANNOUNCEMENT OF THE EXAMS RESULT VOICES OF PRAISE SHALL GATHER TO ME. EVERYONE WILL PRAISE ME AS A TRUE MAN OF WISDOM."
Jack!
Ah... Michael.

SCREECH

Furcas' prophecy came true.
Have you heard about the seniors' test result?
Since it was his third prophecy...
that means both his other prophecies have been fulfilled.
When all three prophecies are fulfilled the Devil will appear.
.....
Michael... you noticed it too, right? That we're the only ones who can hear that noise.
That noise again!
My second prophecy came true today.
Hell, I'm getting a really bad feeling about this.

WAAAAAHH!!
Call the fathers!
Denis Weasler fell from the stairs!
In class he suddenly screamed and rushed out...
He kept screaming "Stay away!" as if he was chased by something. Then he slipped on the stairs and fell.
He's still unconscious.

Neil... Denis' prophecies have been fulfilled, right?
May-be.
Then could he really saw the...
!
Hello... Now this is an unusual combination. You two seem to get along well.
Father August and Father Lazarus!
.....
It's a good thing.
Eh?!
smile
smile
No... ah...
I mean, even though there are class and age gaps between you two...
Why am I getting flustered?

Ah, yes, Father
Can you come by my office later?
By the way Michael, there's a letter for you.
That is true.
A letter came for you from Mr. Philip Moran.
it seems so... but he's at the hospital right now.
From the guest?
Uhm... so did Mr Moran go home after he got out of here?
What?
We heard that after he sent the letter he had an accident and was hospitalized.

shock
Why does this kind of thing keep happening one after another?
What is written in his letter?
What is this...?
The hospital contacted us.
He has been talking nonstop about this school as if he's in a trance.
A part of me wants to open it.. but the other part doesn't want to.
My fingers are trembling.
Well... then I'm going to make tea.
No... it's fine, I'll read it here.
You can read the letter in your room.

tear
"The Devil doesn't get old."
"The Devil doesn't get old."
What is this?
What I want to know is the prophecies my father made that day.
What does it mean?
Why did he send me this letter?

The Prophecy Game.
Three prophecies will come true using the power of the Devil
But after the last prophecy has been fulfilled, the Devil will appear before the prophet.
This is my third prophecy ...at the announcement of the exams result, voices of praise shall gather to me.
Everyone will praise me as a true man of wisdom.
blow
I wondered what kind of prophecies they'd make...
Turned out they were all trivial things like getting the best results, or getting chosen as a cricket player
Pretty much normal wishes
Even though they all worship the demon... they're just normal students like me.
Eligor and Furcas have announced their prophecies. Next one is...
It's my turn now.
Astaroth.

Have a seat.
A warm tea can calm your heart.
What's the matter? You look pale.
No... nothing.
Strangely... I feel so peaceful when I'm with Father Lazarus.
He's right... but it's not only the warmth of the tea.
Yes, that's right. Everyone was such a good child.
Are those photos of the alumni?

Every-one? All of them?
Yes, each and every one was a good child deep inside.
.....
My father... too?
smile
Yes. I remember Daniel so clearly.
He was just like you... a cheerful young man with many, many friends.
"But at the same time, he was also a solitude."
"When he was alone, his eyes would turn dark and cold, glaring through the windows."

"There was a time when I asked of what he saw at the windows."
"I SEE A WORLD THAT REJECTS ME"
What was his answer?
.....
Dad?
Having no relatives and living poorly... I thought, he must had quite a hard life.
But even when he was full of wrath for this unfair world, he kept trying to put faith in the Lord.
Some-how I could feel that he was in pain.
Living in the same place and looking at the same things as me now, what was he thinking...?

What was your answer?
I sensed that he had to find the answer by himself...
so I only told him one thing...
That's my exact position right now.
"PLEASE TELL ME WHAT SHOULD I DO?"
Once... in his suffering, the Lord asked the same thing to Heaven...
"My God, My God, why hast Thou forsaken Me..."
The Son of God uttered it as he breathed his last on the cross.
But when they wish and try to be Good
Every person who suffers, anguished and knocked down by weakness is just the same.

they will be Good in the eyes of the Lord.
Daniel had good friends and people he loved.
They were the reasons that changed him.
You, too...
Neil Lowell.
Only in front of him, you become as cheerful as you used to be.
.....
Huh?
have met someone like that...
He was the same as you. With no relatives. Maybe that's what made the two of you easier to relate to each other?
No relatives?
Father Lazarus, Neil always says he has a lot of relatives...

What...?
Hm...
He does?
creak
.....
Hm?
Haha... you missed me much?
Oh, you're already here.

Why did you lie to me?
Lie?
I heard from Father Lazarus that you have no relatives!
All those stories about your family... are they all lies?
No, they're not.
But...
My family...

In heaven?!
they're all "up" there.
Did they all pass away?
Well, that's about it.
But you had so many relatives .....
Yeah, that's right.
All of them have left me and gone to be with the Lord.

"After that, in less than a year... my mother died along with her unborn baby."
"If the baby was born... I guess he'd be around your age."
"The first one was my great grandfather... It was pretty much because of old age."
I wonder why? I guess bad things always happen in succession.
.....
Both my dad and my grandfather passed away shortly after.
I guess a man would grow weak without his woman.
Don't make that face.
"My adventurous uncle took me in."
"My magician uncle came by a lot... so I was raised with much love, you see."
"I had so much fun back then."
"But then... that magician uncle [redacted] war and died."
"My other uncle became totally dejected."
"After sending me off to a seminary boarding school, he went to the battlefield and never came back."

"His whereabout is still unknown..."
"I thought he might still be alive... so I enlisted in the army."
"In the end I couldn't find any sign of him."
So you see... I wasn't lying.
H...hey!
What's wrong, Michael?
Oh, man.
I didn't mean to make you cry like this!

My father will be stabbed multiple times in some back alley and die.
!
Next is my mother! That woman... That's right... disease! She'll die a slow, painful death!
Let her body rot! Let maggots spawn! And let her suffer as she dies!
.....
Good. how lovely A fitting prophecy of atrocity coming from the duke of hell.
Well... what is your last prophecy?

What's the matter? Why are you hesitating? It's so unlike you.
Tomorrow, I shall be the king of this country.

Huh?
And the next day, I shall be the king of earth.

And by the day after, I shall be the king of the entire universe.
What a boring guy...
What are you talking about? I made my prophecies seriously. Belial is supposed to be that much of a powerful demon.
Hoho, I see that you probably don't need the help of the Devil,
for you have the power and the confidence, and there's another great power at your back.
You made prophecies that won't come true on purpose, didn't you? Are you scared?
.....

gasp
Now, you are the last one... the archangel of judgement, Michael.
But if that so, what is Lucifer thinking?
Why would he let someone who came from the church join the cult...?
Could it be that he knows Neil's real identity?

But Lucifer said
my father participated in this game in the past and had his prophecies fulfilled...
Does Neil really fear the Devil's visitation?

What is your next prophecy?

Oh? That's a prophecy that would be easily fulfilled for you...
I shall submit the report of the History study by next week...

I shall find out the truth behind my family's murder.

That's right. If I can earn the Devil's help, I don't care if they found out who I am.
This is my purpose and also my wish.

Lucifer... I'm sure he holds the key to everything.

I don't want him to
experience anymore sorrow.

Well... if it's your reason to continue living,
I'm sure God would forgive you for hating him.
I don't want you to feel the same way.
Neil...
So that's why Neil always cheers me up no matter what.
I'm done hating God some time ago.
Thank you, though,
for worrying about me.

I should be the one saying thanks.
I love him so much.
My chest hurts.
Thank you for crying for me.
But... he probably thinks of me as a little brother.

I could barely sleep last night.
Too many things going through my mind
And the rats were really noisy on the ceiling.
It looks like Jack didn't get any sleep either.
Shut up...! Be quiet!
Jack?

Neil...
that pub's waitress definitely has a thing for you!
Neil.
You think so? Maybe I'll ask her out on a date one day.

Yo, Student Council... you're doing okay?
Hey, that's the 4th year student Michael Levi, right?
You two know each other?
Neil!
Oh?
Huh? We just had a talk some time ago.
We need to talk. Come with me.
grab
!

What is it? What's wrong with you?
Neil...?
Nothing...
So what is it you want to talk about?
It was from Philip Moran, my father's classmate...
Ah, I've heard of him... He was also a member of the cult, right?
So Neil knows about him.
Ah... well ...
Yesterday Father Lazarus called and gave me a letter..
Is this the letter?
Yeah.

I can't believe this.
Uh...

I'm kissing Neil

shudder
...ooh!
Neil...!
gasp
...Neil?

!
The two of us...
Don't say anything. Let's just stay like this for a while.
What were we trying to do in this holy place?
I'm the one who made him look like that.
He's an adult, a churchman nonetheless... there's no way he would return my feelings.

So... you noticed?
...about Lucifer's identity...
.....
Oh Lord, forgive me.
I'm the one who should be punished.
I'm the one who falls in love with him
Well, go back to your room and rest, you hear?
Okay. But Neil...
Leave the rest to us adults,
all will be settled soon enough.
ruffle

When this is over, he'd return home.
Okay... good night, Neil.
We won't be able to see each other again.

"THEY'RE PICTURES OF THIS SCHOOL'S GRADUATES."
So bright... is it morning already?

It can't be... This is a photograph from 30 years ago!
Why is he in this photo... and looked exactly the same as today?!
What is the meaning of this?
Hello, Michael... did you enjoy your midnight rendezvous?

I already know who you are, Lucifer... or rather...
Being summoned so easily by an impostor... that makes me jealous!
Father August.
It s my first time seeing such an expression on his face
But... this must be his true face all along.

"WHEN I WAS SENT TO WAR, I SAW THOSE WHO WORSHIP THE SAME GOD CLASHED WITH EACH OTHER AND I COULD ONLY WATCH THEM DIE..."
"WITHOUT BEING ABLE TO DO ANYTHING TO SAVE THEM."
"I UNDERSTAND YOUR FEELINGS."
He probably told me those stories to get my sympathy.
Acting as if he understood my feelings!
Deep inside
he was laughing.
You see... at that war, after I took a bullet here,
point
suddenly I was given the power to know what others are thinking... and what happens in dreams.

Ah, Michael... my stories aren't lies...

The Devil doesn't get old, huh...?
I don't understand it either
How did I come to possess this power? Why don't I grow old?
I wonder if I really had become the Devil?
So you were the one who gave my dad a prophecy!
Yes, that's right.
There are always students who seek help from the Devil and destroyed in the end.

How foolish of them. Do they think the Devil would grant their wishes without taking anything in return?
Snort
He's the one who took my family from me.
Why... do you do something like that?
Why? Because it's fun!
.....!!

!
There's nothing more hilarious than seeing someone so driven by desires...
That guy Neil Lowell, too, deep inside he can't help but wanting to violate you.
He's that kind of man from the very start...
But he desperately controls his desire and puts on the guardian facade for your sake.
chuckle
Ahahahaha!
So hilarious I could cry!!
Y...you!!

Stop slandering Neil with that foul mouth of yours!!
Ugh...!

This bastard doesn't have the right to live anymore!
My father... Minnie... mother...
He's the cause of all my suffering!
And I almost lost Neil!

KILL HIM!
He's better off dead!
THAT'S RIGHT! JUST KILL HIM!
NO!!

cough
The Lord teaches us not to judge others
I see that's too bad

When you returned here after Christmas holiday, I was happy.
Ah... I had expected the archangel to overcome the devil's prophecy.
How nice it would be to be killed by you... the archangel of judgement.

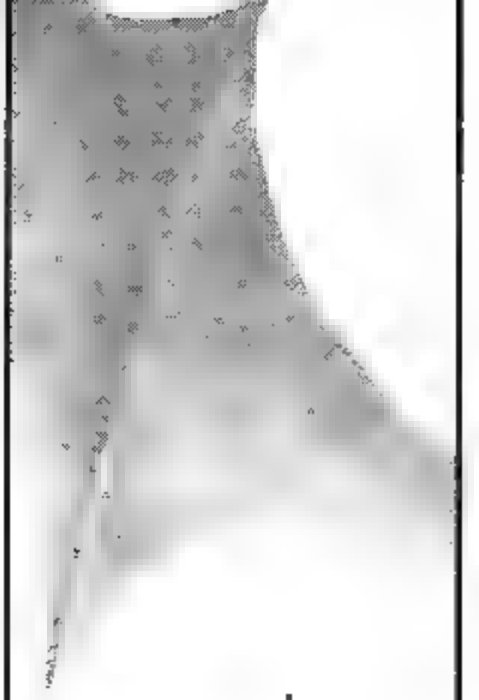
Stay back! Do not come too close!
Ah, Michael!
It's Father August!
Ceal... what's this rampage about?
Waah!
rumble
rumble
Is he.. wishing to die?

Everyone,
let us test whether I'm the devil or just a human being.
Watch me jump!
That would be impossible, Lazarus... Even if it's a request from you, my dear friend.
The devil never atones for his sins. The devil would only burn in hell for eternity.
August! Come down!
Uwaaah!
Come down and atone for your sins!
Uwaaah!

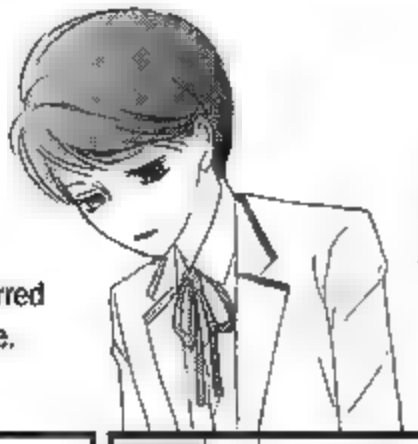
wham
AAHH!!!
Father August...

After that incident, a lot of things happened in half a month...

The Principal was fired for he was found guilty of sexual harrassment on students under the disguise of punishments.



For a moment... I think I saw wings on his back.



After Father August's death, Abel looks as if he's lost his soul.

He will be transferred somewhere else.

After the prophecy curse is gone, Jack's life returned to normal.

There's something you want to tell him, right?
And then comes today.
The day Neil would leave.
Of course I noticed! We're twins after all.

Looks like you've found your important person.

He came.
It's been a while...
Yeah.
It's been days since we met here the last time

I haven't thank you yet.
You helped me at the chapel back then...
Also for this flower and candies...
You still keep that?
So, what is it you want to talk about?
look away
...
.....
Yeah, I will always cherish this...
!
Nell, why won't you look at me?!

.....
Yes
You want to look at my handsome face that badly, huh?
Oh, fine
I went to take a good look at you, Neil, so I will never forget you.
I'm glad I came here today to see him.
My heart is so full...

I'm really glad I met you, Neil.
I thank God for your existence in this world.
Neil, I love you.
I really, really love you...

I give up...
Ne...
I know.

Fool... stop tempting me.

But I want to...
We can still make love even though we're both men... no?
Stop... please...
Lord... forgive me.

If I miss this chance, I might never be able to confess my feelings to him
Aaa... aahh!!
I desperately... want him.
Ha
Creak

When I wake up...
Neil is gone.

He took the first bus in the morning to return to Yorkshire.

Dear Michael

A letter is left on the table.

"I REALLY CHERISH YOU... AND MY FEELINGS HAVEN'T CHANGED."

"BUT, I WANT YOU TO GET THE HAPPINESS YOU DESERVE."

"I'M REALLY SORRY I HAVE MESSED UP YOUR LIFE."

"PLEASE FORGET ME."

"I WANT YOU TO GET MARRIED, LIVE HAPPY AND CREATE A FAMILY. I'M SURE YOU OF ALL PEOPLE UNDERSTAND HOW IMPORTANT THAT IS."

"AND ONE DAY, WHEN YOU'RE BLESSED WITH AN OFFSPRING... COME AND SHOW ME. I'LL BE EVEN HAPPIER IF YOU'D LET ME NAME YOUR CHILD."

How did it come to this...?
killing the ones he loved with his hands
This feeling of despair
I only wanted to protect Neil... but I ended up killing him.
So you chose death just like what I want now ght, Dad ?
m coming, too
Now I know how Dad must have felt.

I'm such a child.
I forced my feelings unto him.
Neil!
Neil...!
"PLEASE BE HAPPY..."
"SO PLEASE, NOW... JUST FORGET ABOUT ME"
"I WILL ALWAYS WISH FOR YOUR HAPPINESS. I WILL ALWAYS PRAY FOR YOU IN EACH SERMON I MAKE IN MY LIFE"
"I PROMISE YOU, SO..."
He only wants the best for me, even if he has to put his own feelings aside...
Ugh...!
I was just giving him [redacted] burden to bear...

But why is it so painful? Every word in this letter hurts so much, my tears can't stop falling...
I will try to do as he say. I'll get married, have children... and achieve the happiness blessed by everyone around me.
If such is Neil's wish then I will
I love you Neil
I doubt I will ever be able to love someone else as much as I love you.
Please tell me, Father Lazarus.
I also come here whenever I need some time alone.
You're deeply in thoughts, Michael.
Father Lazarus...

Why is loving someone of the same gender a sin?
I can't understand.
What's written in the Holy Bible isn't everything.
As time goes by, people's values change.
But what's important has never changed.
Because it lies elsewhere.
Michael, I do not think it is a sin.
Love for someone is the most precious thing.
Because I'm still a child...
No, it's okay.
Why?
Shall I give you Neil's contacts?
You can go and see him on holidays.
He is right. Because I fell in love with Neil... I was able to thank and pray to the Lord once again.
Then this feeling... can't be a sin.

The way I am right now will only make Neil worry again

I will become an adult,

an equal who would be able to accept him as he is...

Until that day...
No way, no way.
I know it! Someone must had dump you, right?
No, nothing like that!
Some adults just can't be together even though they love each other!
chuckle
Hey, Neil, aren't you gonna get married?
Hey! Stop fighting!
Here, I'll give you some candies.
Kyaa!
Kyaa!

I wonder if I look like an adult in his eyes?
Hi, Neil.
...Michael?
But I've decided
that never again I would let him go.

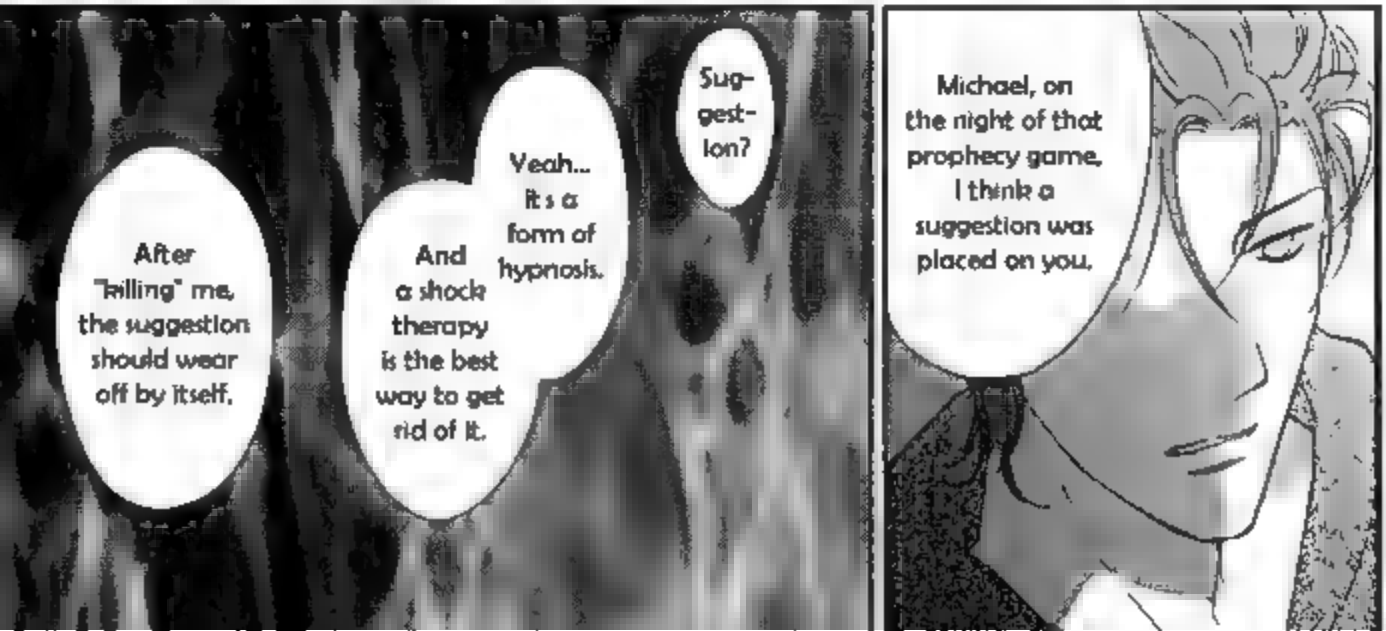
Wah... looks like my plan went pretty well.
Praise to the Lord's thick blessing.
The pork meat felt so real when stabbed, no?
And the blood pouch, too... I really went through a lot gathering all these.
You really thought I died, didn't you?
Uuh...!
WHACK!

I know I deceived you and I feel bad about it... but that's the only way I...
huff
huff
OUCH!!
THAT could've killed me!
Neil...! Neil!!
He's alive!
.....

I guess it's fine now... I don't hear the rats anymore... nor that voice telling me to kill...



After "killing" me, the suggestion should wear off by itself.
And a shock therapy is the best way to get rid of it.
Yeah... it's a form of hypnosis.
Sug-gest-ion?
Michael, on the night of that prophecy game, I think a suggestion was placed on you.

Neil... you know how I feel about you!
That was cruel.
I'm really sorry.
He's right... my hand can still feel the knife ripping through his flesh..
And the pain... as if my heart was crushed... when I thought I had killed him...
.....
But you still... made me kill you... to undo the suggestion.
Dam it. I can hold it any longer.
Mi-chael.
If you really died... then I wouldn't want to live anymore!

Neil,
I love
you.
.....!
I know this would just be a bother to you... but I...
But I can't stop myself
.....
I must not say things like this
I love you! I love you, Neil!

My heart is so NOT prepared for th s.

What am I doing?

I came here to convince him.
I haven t told him the things I've wanted to say.

How many years has it been?

Not a single day has gone by

It's been a while and he really got me this time...

Because I would assault you for sure if you continue to tease me like that!
Why can't I be joyful about it?!
Don't give me such a joyful look! Are you really that careless?
Gonna get assaulted..

That was the reason I wanted to go to your room.
I forgot to tell you something important.
